

Assignment 3
DOING BRAUDELIAN HISTORY

Choose 1 and only 1 framing!

Connect the listed event/concept/person to at least 2 others. Each connection must be separated in time by at least 5 years. You may not connect to an event before 1960, but may connect to events in 2010.

Culture: Altamont Speedway Free Festival, 1969

Society: Jonestown, 1978

Politics: Reagan breaks the PATCO strike, 1981

Technology: Macintosh debuts the graphical user interface, 1984

Write 50 words identifying the topic you selected and then, for each connection, write 200 words explaining the significance of the connection and 50 words identifying the topic you connected to.
